ABOUT BELINDA

As a Certified Master Hypnotherapist, NLP Master Practitioner, Huna Practitioner, and Reconnective Healing Practitioner, Belinda Farrell has taken her life experiences to the masses in seminars, public appearances and writing so audiences can reclaim their innate power and joy.

The author of the book ***Find Your Friggin' Joy***, Belinda trained with Anthony Robbins (author of ***Unlimited Power*** and ***Awaken the Giant Within***), and has effectively used these skills in her own life. In addition to fire-walking, (18 times), Belinda has tested the limits as a professional Precision Stunt Car Driver for TV commercials and films. Her credits include ads for Buick, Cadillac, BMW, Volvo, Nintendo, Audi, Toyota, and Lexus. She was a film and stage actress, having co-starred on the TV series ***Midnight Caller***, in addition to making dozens of industrial films, commercials and voice-overs.

In 1990, Belinda received training in the magical healing principles of Huna on the Big Island of Hawaii. Using the techniques and chants of Huna, Belinda was able to heal a hurting body, which included herniated discs, spinal nerve damage, paralysis and even childhood scoliosis. Adding to her repertoire of healing modalities, Belinda received training in Reconnective Healing and "The Reconnection" in 2009 from renowned teacher Dr. Eric Pearl.

Her three internationally acclaimed CDs (***Chant & Forgiveness***, ***EnCHANTment***, and ***Sleepy Time Chant***) incorporate the Huna forgiveness process together with the ancient Hawaiian chants to help listeners reclaim their spirit. As a mother and grandmother, Belinda Farrell loves to workout, rollerblade, snow ski, and simply live a healthy life, having as much fun as possible.

TESTIMONIALS

If healing were contagious, you would gladly catch it from Belinda! She is a brilliant and most exuberant light in the face of any challenges that have been presented to her in this lifetime. She will not only help you find your joy as well, but she will hold your hand as you rediscover your soul.

- Robyn Justo, Columnist & Author

A unique individual who has the wisdom and power not only to heal, but also to inspire and motivate others beyond their dreams.

- David Samson, Author and Speaker

Belinda Farrell is a rare bright light and a square peg that will never fit into a round hole. That is her gift to us. She helps us discover what it means to really be a human with heart and how to be who you are – not what others expect you to be.

SPEAKING TOPICS

DON'T BE A SISSY - FIND YOUR FRIGGIN' JOY - I DARE YOU!

Do you only talk about having joy once you have that huge bank account or when you reach a certain goal? What if you could have that joy now, anyway, in whatever circumstance you are in presently? What if you could just remove some "inner veils" inside yourself and get that friggin' joy?

I wonder how surprised you will be as you look at the world through eyes that have looked upon and then dissolved the illusions. Do you have the courage, the guts and the perseverance to put in the effort? Go for it. I dare you!

CHANGE YOUR STORY ... CHANGE YOUR LIFE

What emotional sockets are you plugged into? Your investment in these "old stories" rob you of your emotional vitality and inhibit you from the joy you could be having.

Learn how to "unplug" from your "stories" of a lower nature and density, and open the door to NEW CREATIVE IDEAS and a NEW CREATIVE LIFE.

You will experience more energy and vibrancy as you create the life you imagine.

HOW DO YOU FORGIVE THE UNFORGIVABLE?

Forgiveness is often misinterpreted. We cannot change the past or what happened to us. But we can change the meaning we give it. Learn the real meaning of "forgiveness," which is based on an ancient Relationship Resolution Process called "Ho'oponopono."

Experience the freedom of self-forgiveness once and for all, and with that freedom, live a life unshackled to negativity, the past or limitations.
